This time I want to introduce you to "Bollywood is a cosmopolitan science film in its relationship with society". I watched this film last year in Copenhagen and was very surprised that it was about something so far away from us and completely unfamiliar to us... ... beings like Snoopy, Harrison Ford, Dita Von Teese. I learned a lot of interesting things about these creatures, absolutely unknown to us, with which it is so easy to move in space and time. All this was done by a beautiful, humorous and talented ... I posted an article about this film on my website, you can read it by clicking on this link.
